SECTION 1 — DEAL SUMMARY

WHAT IT IS	Iron Tiger Digital delivers inbound homeowner leads from **alamopoolresurfacing.com** — homeowners who searched for new pool construction or major renovation in the San Antonio metro area and submitted a contact form. Keith Zars Pools receives each lead exclusively.
COST	**$500 per completed job.** With Iron Tiger Digital, you only pay for deals when they are closed and a contract is signed. No setup fee, no monthly retainer, no minimum volume commitment.

BILLING	Net-15 (payment due within 15 days of invoice) from invoice date, triggered when Keith Zars reports a contract signed with deposit received. Iron Tiger Digital invoices electronically — pay by ACH/bank transfer. No new accounts required.
EXIT	Month-to-month. Either party terminates with **30 days written notice**. No penalties, no wind-down fees.

Zero risk to try. Seriously.

No setup fee. No monthly commitment. No payment until a lead converts to a *signed contract*. If it doesn't close, it costs Keith Zars nothing — Iron Tiger Digital carries the risk.

SECTION 2A — RETURN ON INVESTMENT

These are organic, exclusive leads — one homeowner, one site, one contractor. Here's what each lead type is worth at close.

$500
OUR FLAT RATE

$0
COST IF LEAD DOESN'T CLOSE

WHAT $500 COSTS AS % OF JOB VALUE — BY JOB TYPE

Job Type	Avg Job Value	$500 as %
New pool build	$55k–$95k	0.5–0.9% ✓
Full renovation	$20k–$45k	1.1–2.5% ✓
Resurface / replaster	$8k–$18k	2.8–6.3%

Every lead comes from a homeowner who found the site organically, read the content, and chose to reach out. Not a scraped list, not a shared marketplace, not a paid click. These are **qualified, inbound homeowners** with real intent.

SECTION 2B — MARKET COMPARISON

HOW THIS COMPARES TO WHAT YOU'RE ALREADY PAYING

Google Ads (pool keywords)	**$150–$400/lead — paid win or lose**
Angi / HomeAdvisor	**$50–$150/lead — shared with 3–5 competitors**
Iron Tiger Digital	**$500 only when the job closes**

With Google Ads or Angi, you pay whether the lead books or ghosts you. With Iron Tiger Digital, **zero dollars leave your account until a signed contract is in hand.**

SAME 10-LEAD SCENARIO — WHAT EACH MODEL ACTUALLY COSTS

Assumptions: 10 leads delivered, $12k avg resurface/replaster job. Angi/HomeAdvisor leads are shared with 3–5 competitors → lower close rate. Iron Tiger Digital leads are exclusive → higher close rate.

	Angi / HomeAdvisor $150/lead, shared	**Google Ads** ~$300/lead, paid clicks	**Iron Tiger Digital** $500/close only
Upfront cost for 10 leads	**$1,500**	**$3,000**	**$0**
Leads that don't close	**8 (cost: $1,200 sunk)**	**8 (cost: $2,400 sunk)**	**7 (cost: $0)**
Jobs that close	2 (20% — shared leads)	2 (20% — paid clicks)	3 (30% — exclusive)
Total marketing spend	**$1,500**	**$3,000**	**$1,500**
Effective cost per closed job	**$750**	**$1,500**	
Iron Tiger Digital: cost per closed job			**$500**

Close rates based on contractor industry surveys.

Volume ramp: As site rankings mature, this channel typically delivers **4–10 leads/month**. Early months may run lighter as organic rankings build; by month three, volume normalizes.

SECTION 3 — WHAT IS A VALID LEAD

Every lead we deliver meets these criteria before it ever reaches your inbox:

SOURCE	Inbound form submission or phone call from **alamopoolresurfacing.com** — an organic visitor who searched for pool construction or renovation, read the site, and took action. Phone calls are routed through a dedicated call-tracking number on the site; recordings are available on request.
TERRITORY	Homeowner located within **50 miles of San Antonio** — covers San Antonio metro, New Braunfels, Seguin, Boerne, Kerrville, and surrounding communities.
CONTACT INFO	Full name, working phone number, service address, and type of work requested. Incomplete submissions are not forwarded.
EXCLUSIVITY	Delivered to Keith Zars Pools only. The same lead is never sent to another contractor.

SECTION 4 — HOW IT WORKS

1. **Homeowner submits via Iron Tiger Digital lead gen site**

   A homeowner searching for new pool construction or major renovation in the San Antonio metro area finds **alamopoolresurfacing.com**, reads the content, and submits a contact form with their name, address, phone, and project description.

2. **Iron Tiger Digital delivers a full lead packet within 1 hour**

   Keith Zars Pools receives an email with the full lead record: name, address, phone, email (if provided), project description, and timestamp. No portal login needed. A shared read-only lead log and call recordings are available on request. **Sample lead packet:** alamopoolresurfacing.com/lead/don-henderson/

3. **Keith Zars follows up and closes the job**

   The lead is **exclusively yours** from the moment it's delivered. Iron Tiger Digital does not send the same lead to any other contractor. Your team calls, books the appointment, and closes the deal.

4 **Iron Tiger Digital invoices $500 when the contract is signed and deposit received**

When a contract is signed and deposit received, reply to the lead email with the project address and signed date — takes 30 seconds. Iron Tiger Digital sends an invoice within 2 business days — pay by ACH/bank transfer. No payment due on a lead until a contract is signed and deposit received.

SECTION 5 — PAYMENT

PAYMENT — ACH / BANK TRANSFER

Iron Tiger Digital invoices electronically. Payment is by **ACH / bank transfer** — Net-15 from invoice date; standard B2B; no fee on your end. Routing and account details are included on every invoice.

No new accounts required.

SECTION 6 — SERVICE AGREEMENT (BINDING TERMS)

1. PARTIES & EFFECTIVE DATE

Iron Tiger Digital and Keith Zars Pools

This Agreement is between **Iron Tiger Digital**, 5900 Balcones Drive STE 100, Austin TX 78731 (costa@irontigerleads.com · (225) 535–4918), and **Keith Zars Pools**, effective as of **[Signing Date]**. Iron Tiger Digital is the "Provider." Keith Zars Pools is the "Client."

2. LEAD DEFINITION

What constitutes a billable lead

A "Lead" is an inbound form or phone inquiry from Provider's lead generation site — a homeowner within the agreed service territory who is interested in new pool construction or major renovation. To be valid, a Lead must include a full name, a working phone number, and a service address within the territory.

3. DELIVERY PROCESS

How leads are delivered

Each Lead is emailed from **costa@irontigerleads.com** to the address designated by Client at signing within 1 hour of receipt during business hours (Mon–Fri 8 AM–8 PM CT, Sat 10 AM–5 PM CT). The email includes name, phone, email, address, project description, and timestamp. Phone leads come through a dedicated call-tracking number — recordings available on request. Leads received after hours, on Sunday, or after 5 PM CT Saturday are delivered by 9 AM CT the next business morning. Add costa@irontigerleads.com to your approved senders to ensure leads reach your inbox.

4. EXCLUSIVITY

Each lead is delivered to Client only

Each Lead is delivered to Client only — Iron Tiger Digital will not sell, share, or transfer it to any other party. Note: homeowners may contact other contractors on their own; Iron Tiger Digital's exclusivity covers its own distribution only. **All websites, domains, and rankings used to generate Leads remain Iron Tiger Digital's property.** This Agreement transfers no ownership in those assets, and termination gives Client no claim to them.

Iron Tiger Digital will not enter a lead generation agreement with a direct competitor in the San Antonio market while this Agreement is active.

5. SERVICE TERRITORY

San Antonio metro and surrounding areas within 50 miles

Leads come from homeowners within **50 miles of San Antonio, Texas** — including San Antonio metro, New Braunfels, Seguin, Boerne, Kerrville, and surrounding communities.

6. FEES & PAYMENT

$500/completed job · Net-15 · Invoice on close report

Client pays **$500 per completed job** — defined as a signed contract with deposit received from a Lead delivered under this Agreement. When a contract is signed and deposit received, Client reports it to Iron Tiger Digital. Iron Tiger Digital invoices within 2 business days. Payment is due **Net-15** (within 15 days of invoice) via ACH/bank transfer. No setup fee, no retainer, no minimum volume. Invoices unpaid after 30 days may accrue 1.5% monthly interest. Provider may request a signed contract date or invoice number to verify job close upon dispute. In the event of a billing dispute, both parties agree to resolve in good faith within 10 business days before pursuing any other remedy.

7. NO CONVERSION GUARANTEE

Provider delivers intent; Client closes the job

Iron Tiger Digital delivers intent — it does not guarantee appointments, close rates, or signed contracts. Those outcomes are Client's responsibility.

8. CONFIDENTIALITY

Lead data stays private

Both parties keep Lead data confidential — homeowner names, addresses, phone numbers, and project details. Client won't resell or distribute Lead data to third parties. Iron Tiger Digital won't disclose Client's lead volume, close rates, or pricing to competitors. These obligations survive termination.

9. TERM & TERMINATION

Month-to-month · 30 days written notice

This Agreement is **month-to-month**, starting on the Effective Date. Either party can terminate with **30 days written notice by email** — to costa@irontigerleads.com for notices to Iron Tiger Digital, or to the address on file for Client. On termination, Iron Tiger Digital stops delivering Leads. All invoices for Leads delivered before termination remain due. No early-termination penalties. If Iron Tiger Digital's San Antonio lead volume drops to zero for 60 consecutive days, Client may terminate with written notice and no penalty period.

10. LIMITATION OF LIABILITY

Provider's maximum liability capped at invoice credits

Iron Tiger Digital's maximum liability to Client won't exceed the total fees invoiced in the 3 months before the claim. Neither party is liable to the other for indirect, incidental, or consequential damages — including lost profits, lost revenue, or reputational harm — even if warned of the possibility.

11. GOVERNING LAW

State of Texas

This Agreement is governed by **Texas law**. Any disputes that can't be resolved informally will be handled in state or federal courts in Bexar County, Texas.

12. TCPA COMPLIANCE

Consent and telecommunications law

Iron Tiger Digital generates Leads from opt-in forms with written consent disclosing that homeowners may be contacted by a licensed pool contractor — covering TCPA prior express written consent. Client is solely responsible for its own outreach practices and TCPA compliance, including FCC rules and the National Do Not Call Registry.

13. INDEPENDENT CONTRACTOR

Neither party is an agent or employee of the other

Iron Tiger Digital and Keith Zars Pools are independent contractors. Nothing in this Agreement creates a partnership, joint venture, agency relationship, or employment relationship. Neither party has authority to bind the other to any obligation without prior written consent.

14. MUTUAL INDEMNIFICATION

Each party is responsible for its own acts

Each party ("Indemnifying Party") will defend, indemnify, and hold harmless the other party and its officers, employees, and agents from any third-party claims, losses, damages, or costs (including reasonable attorneys' fees) arising from: (a) the Indemnifying Party's material breach of this Agreement; or (b) the Indemnifying Party's own negligence or misconduct. This includes Client's sole responsibility for its outreach practices and compliance with applicable telecommunications laws, including TCPA and the National Do Not Call Registry.

15. ENTIRE AGREEMENT

This document is the complete agreement

This Agreement is the complete understanding between the Parties on lead generation services and replaces all prior conversations, emails, and other agreements on this subject, whether written or verbal. Any changes must be in writing and signed by both Parties.

16. ELECTRONIC SIGNATURES

Digital signatures are fully binding

The Parties agree that electronic signatures — including HelloSign (Dropbox Sign), DocuSign, a typed name, or a scanned handwritten signature — are valid, binding, and enforceable to the same extent as original ink signatures, under the federal E-SIGN Act and the Texas Uniform Electronic Transactions Act (UETA). Either Party may request a traditional wet-ink copy if preferred.

17. SEVERABILITY

Invalid provisions don't void the rest

If any part of this Agreement is found invalid or unenforceable, it will be modified just enough to make it valid — or removed if modification isn't possible. The rest of the Agreement stays in effect.

SIGNATURES — BY SIGNING BELOW, EACH PARTY AGREES TO THE TERMS OF THIS AGREEMENT

Electronic signatures are valid and binding under the federal E-SIGN Act and Texas UETA (Clause 16).
